

“Should Auld Acquaintance be Forgot?”

WE DON'T THINK

You were not forgotten when we were buying this beautiful line of new Spring Goods. Neither do we wish to be forgotten when you get ready for that new dress. If it's swell stuff at the right price, we have it. No evidence, other than that we say it is necessary to prove this fact to our many customers, as we have always made it a rule to advertise facts only. A few specials while they last that are special in value.
